Business Update – Sattrix Information Security Limited’s New U.S. Joint Venture, World Tech Nexus LLC, has received its Business Registration
Scrip Code: - 544189 – SATTRIX INFORMATION SECURITY LIMITED

Sattrix Information Security Limited (“Sattrix”) is proud to announce a significant milestone in its global expansion strategy with the official registration of its new U.S. joint venture, World Tech Nexus LLC. Headquartered in Irvine, California, the joint venture will cater to the business of IT and cybersecurity solutions and services for clients across the U.S. and globally. This visionary move is a decisive step toward our long-term goal of becoming a global leader in the cybersecurity industry, known for our commitment to excellence, innovation, and customer satisfaction. The new Joint Venture’s members are M/s. Sattrix Information Security Limited, World Tech Edge PTE. LTD. & Mr. Ali Yavari.

VISION FOR GROWTH

Our vision for this joint venture is twofold: to establish a commanding presence in the U.S. cybersecurity market and to strengthen our foundation to evolve into a true multinational corporation. We are building a future-ready platform that combines innovation, trust, and deep technical expertise to protect and empower organizations at every level. This collaboration will accelerate our journey to become a trusted cybersecurity partner that delivers unparalleled solutions to clients across the globe.

STRATEGIC OBJECTIVES OF JOINT VENTURE

The immediate focus is on selling, reselling, and distributing specialized IT and cybersecurity solutions and services that we are authorized to provide within the U.S. market. The platform will focus on digital transformation, managed services, compliance, and enterprise cybersecurity solutions for clients across the U.S.

BRINGING VALUE TO VENTURE WITH VISIONARY COLLABORATION WITH SATTRIX

The success of World Tech Nexus LLC is built on the extraordinary depth of experience and proven track records of its co-founding team. Mr. Mohammad Mobasseri and Mr. Richard Rundle, co-founders of World Tech Edge PTE LTD (Formerly known as RF TrustCo PTE LTD), bring decades of experience in IT and cybersecurity distribution across the Middle East and Asia-Pacific regions, respectively. Their strategic

channel empowerment, regional insight, and vision for fostering vendor-reseller ecosystems will be instrumental in positioning World Tech Nexus LLC as a key player.

Together, this collaboration will enable us to deliver cutting-edge security solutions and address evolving cyber threats with unmatched precision and scale, further reinforcing Sattrix's commitment to delivering world-class cybersecurity and IT solutions to the U.S. market.

A PLATFORM FOR GLOBAL GROWTH

Through this joint venture, **Sattrix Information Security Limited** will expand its footprint in the U.S. and further position itself as a global leader in cybersecurity and IT services. The combined experience and networks of the co-founding team will serve as a powerful launchpad for **World Tech Nexus LLC**, enabling it to become a key player in the North American cybersecurity landscape.

ABOUT SATTRIX INFORMATION SECURITY LIMITED

Sattrix Information Security Limited, founded in 2013, is a globally trusted cybersecurity solutions provider offering end-to-end, customer-centric services across India, the USA, the Middle East, and Malaysia. With over a decade of experience, Sattrix delivers agile, cloud-based and on-premise solutions that help enterprises protect digital assets, ensure compliance, and maintain business continuity. Rooted in the mission "Removing the Risk from the Universe," the name Sattrix-derived from Satt (Universe), Ri (Risk), and X (Extenuation)-reflects our commitment to eliminating cybersecurity threats. Combining cutting-edge technology with deep expertise, we stand as a future-ready partner in today's evolving digital landscape. For more information, please visit: <https://www.sattrix.com/>.
