Commenting on H2 & Annual FY25 Results, Mr Sachhin Gajjaer, Managing Director, said, “We are proud to have delivered a historic performance marked by stellar project execution along with Client Satisfaction at High, driven by the dedication, expertise, and relentless commitment of our exceptional team. The global AI in cybersecurity market is experiencing rapid growth, driven by the increasing adoption of AI-powered solutions for threat detection and response, Artificial intelligence (AI) is reshaping nearly every industry – and cybersecurity is no exception. A recent Global research report estimated the global market for AI-based cybersecurity products will surge to roughly \$135 billion by 2030. We will continue to focus on New Client Acquisition, Sattrix Information Security (SIS) is a customer-centric, niche player in the cybersecurity domain, specializing in data protection service delivery. With a decade of experience, we serve global customers and are recognized for our exceptional service delivery capability. As we look ahead, our focus is on expanding into new geographies, enhancing operational efficiency through technology and process optimization, and advancing into New Era of Cyber Security with AI. We are set to execute technically challenging projects assignments that will push the boundaries of innovation, as we actively pursue our mission of delivering excellence and shaping the future of Information Technology.”

About Sattrix Information Security Limited:

Sattrix Information Security Limited, founded in 2013, is a globally trusted cybersecurity solutions provider offering end-to-end, customer-centric services across India, the USA, the Middle East, and Malaysia. With over a decade of experience, Sattrix delivers agile, cloud-based and on-premise solutions that help enterprises protect digital assets, ensure compliance, and maintain business continuity. Rooted in the mission "Removing the Risk from the Universe," the name Sattrix—derived from Satt (Universe), Ri (Risk), and X (Extenuation)—reflects our commitment to eliminating cybersecurity threats. Combining cutting-edge technology with deep expertise, we stand as a future-ready partner in today's evolving digital landscape. For more information, please visit: <https://www.sattrix.com/>.
